

RULES AND REGULATIONS -- USE OF PRIVATE PROPERTY

PARKING OF HEAVY EQUIPMENT

With the exception of equipment engaged in temporary construction activity, the parking and standing of heavy construction equipment and commercial vehicles exceeding 3/4-ton capacity within the boundaries Cape George Colony Club is prohibited, unless screened or covered in a manner approved in writing by the Board. The purpose of this regulation is to maintain an attractive residential environment.

Approved by the Board of Trustees on May 14, 2009

William A. Stull, President

Richard Poole, Secretary
